Indoor/Outdoor Real & Imitation Cameras

Night Vision 30ft / 9m

MaxiBriteTM

The perfect theft deterrent, with a working camera & an identical imitation device

The Swann MaxiBriteTM Cams are a versatile security solution that suit both home and business applications. This pack includes 2 original Swann MaxiBriteTM Cam cameras that are ideal for most indoor and outdoor environments thanks to their anti-corrosive outer casing.

These cameras provide color images during the day then automatically switch to black & white night vision mode in the dark up to 30ft (9m). Now you can monitor your premises indoors, outdoors, day and night. Be protected, monitor loved ones – be safe with Swann.
